WHO WE ARE

Since 1996, Hawk Ridge Systems has strived to provide companies with the tools they need to succeed in their manufacturing efforts – from SOLIDWORKS software to additive manufacturing solutions, training and support.

20+
Years of Experience

250
Employees

25,000
Customers

Whatever the manufacturing challenge,
we can help solve it.

CUSTOMERS WE SERVE

We help hundreds of companies, big and small, grow their business with the right products.

“We anticipate our customers’
needs before they do.”

-Dale Ford | CEO

OUR SERVICES

Making the most of designs with the best products and support.

Software Solutions

Our tools allow engineers, designers and manufacturing teams to create exceptional products.

Support

Our award-winning team of experts are ready to answer questions and provide assistance.

3D Printing

We provide the latest in additive manufacturing, helping create functional parts with ease.

Training

We offer SOLIDWORKS, CAMWorks and Drive-Works classes in our labs, online or onsite.

3D Scanners

We offer scanning technology that changes the design and prototyping of products.
